McBain St. Accident Raises Legal Query

A submission that Road Traffic Regulations would not apply to the section of McBain Street which is crossed by the railway line was made at Williamstown Court last week.

Mr. Kaufman, barrister, said the railway line is the private property of the Railways Department and thus the regulation requiring a driver to give way on his right would not apply.

Mr. Kaufman was appearing for motor cyclist James Fellows who was involved in an accident at this corner on March 6 and was charged with failing to give way on his right.

Mr. Kaufmann stressed that his legal submissions were important in that other litigation was pending.

Several times the Court adjourned to consider submissions made by Mr. Kaufman. The Bench comprised Messrs. F. Lovegrove, H. Kim and R. King, J's.P.

Finally they ruled that Fellows, of Mulga Street, Altona, had a case to answer as regards failing to yield right of way to Roy Edwards.

Evidence was given by Roy Edwards that on March 6, at 9.45 a.m., he was driving south along McBain Street and looked right and left before entering the intersection of Railway Street.

When he was three-quarters of the way across the intersection he saw a motor-bike coming up on his left. He applied his brakes, but the motor-bike hit the front of his car.

The motor-cyclist was thrown into a hedge and he rolled down to the footpath. Witness sent his wife for a doctor and went to the aid of the motor-cyclist.

A constable told the Court that Fellows said he was doing 30-35 mph and alleged Edwards was doing about 40 mph.

Fellows, who appeared in Court on crutches, alleged the car driver was looking in the opposite direction until the collision. He said his ankle was squashed between the bumper bar of the car and his bike.

Chairman of the Bench, Mr. Lovegrove, announced that Fellows would be convicted and fined \$20 with \$7 costs. A stay of two months in which to pay the fine was granted.

FOOTNOTE

[Cars or trucks can no longer cross the railway reserve at McBain Street. Following a number of accidents at this intersection white posts have been erected across the route which was formerly used by drivers.]

PRICE RISE MEETING POSTPONED

Due to the inability of State and Federal Parliamentarians to be present tonight, Thursday, June 9, the price rise meeting has been postponed to a date to be fixed.

Arrangements for a date when all can be present are now being made. Notice of this meeting will be advised later.

The Altona Shire Council is calling the meeting to provide residents with the opportunity of hearing different views on the problem of continuous price rises.

Commonwealth Day

For the first time Commonwealth Day will be celebrated, not in May as in the past, but in June this year.

Her Majesty the Queen has approved that from 1966 Commonwealth Day will be celebrated in the United Kingdom on her official birthday, the second Saturday in June.

It has been decided that this should also be the practice in Australia.

It is particularly desired that all shopkeepers and residents possessing flags fly them on Commonwealth Day, Saturday, June 11, from 8 a.m. to sunset.

Youth Leader In Commonwealth Games

Well-known to a number of Altona youngsters is Peter Norman, who will be representing Australia in the Commonwealth Games in Jamaica in August.

For a number of years Peter, a fourth generation Salvation Army member, has supervised the Salvation Army Sunday School and Junior Boys Youth Club in Altona.

Twenty-three-year-old Peter and his wife, Ruth (22), live at Newport Salvation Army headquarters. Ruth is the daughter of Mr and Mrs Verdon Newnham, who, until recently, were residents of Altona for many years.

Pictured above are Peter and his wife with the special message he wears emblazoned on the back of his track suit and which he has been wearing to every athletic meeting in which he has competed during the last two years.

The message, "God is Love", was sewn on by Ruth. Peter hopes to be able to

display his slogan at training sessions in Jamaica, but as the old blue suit is threadbare he may have to pay \$20 to purchase a new one with a new message, which could be "Jesus Loves."

Peter intends to wear the official Australian uniform in all competitions.

However, he considers the Games Village, where so many nations will be represented, would be an excellent place to wear his suit with a message. The purpose of the slogan is to open conversations.

When people ask what the

message stands for, Peter takes the opportunity to tell them of his beliefs.

It was after competing in the Perth Commonwealth Games in 1962 that he began thinking of ways to spread the Word of God.

Finally, after 12 months of thinking, Peter, who teaches physical education for the Education Department, asked Ruth to sew the letters on his track suit.

His main event at the Games will be as a competitor in the 220 yards and 4 x 110 yards relay. Some of the team members will be given secondary events which will be announced in the next few weeks.

Peter will ask the Australian Amateur Athletic Union whether there is any rule against wearing his tracksuit for training.

Combined Action On Air Pollution

Altona's position regarding air pollution was voiced by Cr. G. den Dulk and the Senior Health Inspector, Mr. J. Mellors, at a meeting of representatives of western metropolitan councils late in May.

Footscray, Williamstown, Sunshine, Port Melbourne and Altona were represented at the meeting convened by the Footscray City Council.

Cr. den Dulk gave a comprehensive report on the meeting to Altona Shire Council. He said he had been favourably impressed by the fact that all invited attended the meeting.

A general discussion took place on the problems caused by offensive odours emanating from various industrial establishments, including abattoirs of which there is one in Altona.

Mr. Mellors spoke on Altona's actions in dealing with air pollution.

Cr. den Dulk said it appears to him that Altona has done more to combat the air pollution nuisance than neighbouring councils. They are just starting.

He said that close co-operation is possible without various council health inspectors infringing outside their own areas.

Reference was made to the inadequate number of inspectors employed by the Clean Air Section of the Public Health Department. At present only three are employed for the whole state. There were four until one resigned—he has been engaged by Altona Council.

It was agreed that all the municipalities should strongly support the following resolution carried by the Footscray Council at its meeting on May 23—

"That this Council through the Metropolitan Sectional Council of the Municipal Association of Victoria request of the Minister of Health, Mr. Dickie, that immediate steps be taken to increase the effective manpower strength of the Health Department in order that all provisions of the Clean Air Act can be strictly supervised and enforced.

"Furthermore, that the Clean Air Committee, under the chairmanship of the Chief Health Officer be vested with the power of prosecution for offences under this Act subject to the Minister of Health receiving a full report of the committee's findings necessitating such prosecutions."

It was also decided that a sub-committee of Health Inspectors of Footscray, Williamstown, Sunshine, Port Melbourne, Altona and Werribee meet at bi-monthly intervals.

This will enable complaints received to be studied jointly and on a co-operative basis when needed.

On the motion of Cr. A. W. Bond and Cr. W. L. J. Crofts the report was received and Cr. den Dulk thanked for his attending the meeting and his full report.

SEC INVESTIGATES DUST NUISANCE

Officers of the State Electricity Commission will be visiting homes in the vicinity of the briquette depot to investigate allegations made by the deputation which met Mr. W. Connolly, chairman of the SEC and Mr. Ballard, briquette sales manager, on May 27.

Following a public meeting on April 30 the deputation was arranged by the Hon. Cr. A. W. Knight, M.L.C. The deputation was led by the Shire President, Cr. S. G. McIntosh and Cr. J. J. Ginifer on behalf of residents who were represented by Messdames Trestrail and Marinescu and Messrs. Durbridge and Marinescu.

Mr. Connolly and Mr. Ballard listened to the deputation for 14 hours.

Fully discussed during this time were complaints regarding the dust nuisance from the depot and removal of the depot.

Allegations are now being investigated by officers of the Commission.

ARTS COUNCIL PLANNED

Altona Shire Council plans to sponsor a meeting of representatives of local organisations, school teachers and other residents interested in forming an Arts Council.

Cr. Fisher envisages an Arts Festival in about 12 months time.

Cr. Ginifer drew attention to the Victorian Ballet Guild news-letter for April which states—"Ballet Guild congratulates the Victorian Ballet Company on the successful opening performance in 1966 of 'Peter and the Wolf.' This performance on March 15 at tended by children from Altona Primary School, was widely publicised by excellent television and press coverage.

"Ballet Guild also congratulates the Altona Shire Council on its continued interest in cultural education, shown in an extremely practical form. This progressive council subsidises transport costs of all children from Altona schools attending performances of the Victorian Ballet Company—by the end of Term 1 more than 1000 children from Altona Shire will have seen Peter and the Wolf."

ALTONA WORKING MEN'S CLUB NEWS

Big Club Night On June 25th

The next big club night for the Altona Working Men's Club will be held on Saturday, June 25, under the auspices of the Victorian Indoor Bias Bowls Association.

Twelve teams from the Colac district will compete against 12 teams selected from the three metropolitan areas.

On the 12 bowling mats in the hall 24 teams of four will be competing for handsome trophies presented by the VIBBA. This should be a first class evening, particularly for all club members interested in indoor bowling.

Other facilities of the club—billiards, snooker and table tennis—will be available for members who wish to spend Saturday evening at the club.

The club's eight indoor bowls' teams are grouped in the North-West area of the VIBBA. Ten clubs with approximately 44 teams play in the current pennant competition for this area. A maximum of four and a minimum of two AWMC members could be included in the VIBBA teams to play the Colac visitors on June 25.

The VIBBA committee has stipulated that each competitor will contribute 50 cents. Trophies and supper will be provided by the VIBBA. Clubs are allowed visitors and the local club, as the host club for the evening, will supply facilities and assistance in the organisation of supper arrangements.

It is sincerely hoped that a large number of members actively engaged in indoor bowling will come along on this evening as visitors and helpers to assist in making this occasion another outstanding success for the VIBBA and the club.

GARDENING SECTION

The dozen or so members of the keen and active gardening section have had an extremely busy time during the last three weeks. Present indications are that bigger things are looming on the horticultural front of club activities in the very near future.

Three weeks ago the group spent a Sunday morning building and laying out the rock garden at the front of the club. The job, which has been interspersed with debates on shapes, sizes and positions of rocks was completed last weekend by the placing into position of the miniature "Ayres Rock," which will add barren beauty to the future foliage of blooms and shrubs.

The few active enthusiasts who undertook this project are to be complimented on their perseverance, hard work and ingenuity in the interest of the club.

Alan Angus, assisted by Alf Lamb, operated the machine which hoisted the boulders from the beach and placed them neatly in position in the garden.

Molly Jackson successfully drew lots to perform the christening ceremony with a bottle of Boon Spa (liquor restrictions slightly curtailed their ambitions).

All members are now rearing to go on the next section of the project to beautify the club surrounds and establish a garden. This, along with other important garden section business, will be discussed at the next meeting of the section to be held tomorrow evening, Friday, June 10, at 8 p.m.

ASSOCIATES MONTHLY MEETING

Monday, June 27, at 7.45 p.m. Mr Alf Lamb will show slides of the Barrier Reef, taken during his recent holiday there with his wife, Win, Associate Section president.

MIXED SPORTS NIGHT

Team entries can be made now for the club mixed sports night on Saturday, July 9.

There will be teams of four to compete in darts, hooky, peg quoits and indoor bowls.

Entry fee is \$1.20 per team or 30c each, with trophies and supper provided. Team entries can be handed to Harry Gibson, Charlie Thompson or George McCallum.

NEXT CLUB DANCE

The next club dance will be held on Saturday, July 16.

Tickets at \$1 each will be available from June 13 from committee members Iris Mead, Jean Discoll, Margaret McFarlane, Keith Neyland, Charlie Thompson or George McCallum.

To assist with catering arrangements please obtain your tickets early.

BRIQUETTE STORAGE DEPOT

Dear Sir,

Mrs. Mary Evans (Altona Star 2nd June, 1966) appears to be reading into Cr Crofts remarks an intention which was never there. He did not at any stage say that he was not still advocating the removal of the briquette dump. In fact, by seconding Cr Den Dulk's motion he showed that he is in favour of whatever action that councillor, or more strictly Labor Caucus, proposes at the present time.

Unlike the other Councillors he has not waited for the S.E.C. officials to come to him by attending meetings of the Air Pollution Committee, but has sought out the responsible officers, to find out what they have been doing on this matter. Further he has visited their laboratories to see how far they have progressed with their sealed briquettes. His remarks at the meeting on the 10th May 1966 were merely reporting to the Council what he had learned, so that they would be better informed for preparing the case for the abolition of the briquette depot, which I am sure he still feels Altona could well do without.

Yours faithfully,

H. V. Jeavons.

"First Pool For Altona North"

—Junior Councillors

Eight of the twelve schools in the Shire consider Altona's first swimming pool should be built in the Altona North or Altona East areas.

Local schools are equally situated north and south of Kororoit Creek Road.

Altona High and Altona West primary support the north schools in their contention that as they are furthest from the beach, the first swimming pool should be provided in their area.

However, the majority of schools believe the proposed heated main pool should be constructed more centrally near the Civic Offices but only after the establishment of the Altona North pool.

These conclusions were drawn at last week's meeting of Junior Council.

Following discussion at their schools on proposed swimming pools for Altona, Junior Councillors reported the views of each school to the meeting.

Eleven of the schools also stated they would use a heated pool in the winter. The exception was St. Mary's Primary school, Junior Councillor Margaret Hore said that no doubt some of St. Mary's pupils would like a heated pool but the school does not conduct swimming lessons.

Debby McBride, of Seaholme Primary, mentioned that as well as schools being interested in a heated pool for winter swimming lessons, she had no doubt it would be ideal for the local life saving club.

Thoughts of junior councillors now have been turned to a possible site for an Altona North pool.

Cr J. J. Ginifer, who chaired the meeting, pointed out that Langshaws Reserve,

St. Eanswythe's Young Wives Group

Mr. Trevor Arthur, chief technical officer of the National Parks Authority will be an interesting speaker at next week's meeting of St. Eanswythe's Young Wives group.

The group will meet at 7.45 p.m. on Tuesday, 14th June at the home of Mrs. Marj. Duckett, 161 Blyth Street, Altona.

For the next three months meetings will be held in members' homes rather than at the church hall during the winter period.

Several car loads of members visited the Williamstown group last Tuesday night and after a short service in the Church took part in the Question Box conducted by Mrs. Dann wife of Archdeacon Dann.

ENGAGEMENTS

DOLMAN-HEYME

Mr and Mrs Dolman, of 99 Esplanade, Altona, have much pleasure in announcing the engagement of their younger daughter, Jill, to Geoffrey Heyme, of 2 Seaview Crescent, Seaholme.

★ ★ ★ ★

LANCEFIELD-HARRIS

Mr and Mrs Lancefield, of 12 Coane Street, Pascoe Vale, announce with pleasure the engagement of their only daughter, Coral Jean, to Ian, youngest son of Mr and Mrs J. Harris, 28 Mount Street, Altona.

which had been suggested as a site by Altona East Primary, may be too small. Already a football and cricket ground and a youth club hall have been established here.

He suggested the junior councillors discuss at their schools possible suitable sites and report back to the June meeting.

Historical Society To Meet

The monthly meeting of the Society will be held on Wednesday, June 15th, at 8 p.m., in the Society's room, 128 Queen Street.

An invitation to be present is extended to anyone interested in the history of Altona.

ALTONA FILM SOCIETY

Despite the cold weather which deterred some residents from leaving their cosy fireplaces more than 150 people attended the Altona Film Society's first film evening at the Civic Hall last Friday night.

Among the viewers were the Shire President Cr S. McIntosh, Cr W. G. Cresser and Mrs. Cresser, Cr W. L. J. Crofts, and Mrs. Crofts, Cr A. Fisher and Cr H. W. Lee and Mrs. Lee.

At the request of the Ministers Fraternal "Food or Famine" was screened and a collection resulted in \$29.00 towards the Freedom From Hunger campaign.

At the close of the evening coffee and biscuits was served free of charge. This was the first of a six night season being presented by the Film Society.

The next screening of the Altona Film Society will be held in the Shire Hall on June 10th, at 8 p.m.

The programme consists of "Birth of a Nation" the famous silent film of the American Civil War and its aftermath, made by D. W. Griffiths.

This film is made available by courtesy of the State Film Centre.

Double Celebration

Mr. and Mrs. T. J. Owers of 25 Rayner Street, Altona, happily announce the engagement of their only daughter to Morris Williams eldest son of Mr. and Mrs. M. Williams of North Melbourne but formerly of Altona.

Next Saturday night more than 90 friends and relatives will gather at the Civic Hall for a party to celebrate the engagement and also the Pearl Wedding anniversary of Mr. and Mrs. Williams who were married at Castlemaine on June 13th, 1936.

The engagement cake (2 hearts) has been made and beautifully decorated by Mrs. Williams.

ACCENT 66

Considerable interest is being shown in a series of lectures on vital subjects at the Newport Presbyterian Church.

Following on a successful year a June series has now commenced.

At the first meeting held last Thursday, Dr. McLean, Psychiatrist with the Mental Hygiene Department, lectured on "What causes a mental breakdown?"

Forthcoming addresses are: Thursday, June 9th Church Union—Rev. Dr. A. H. Wood, 16 Church Union—Rev. Prof. G. Yule.

23 and 30—Is the old testament useful in the twentieth century—Rev. Prof. R. Anderson.

Rev. Dr. A. H. Wood is the principal of the Methodist Ladies College and a leading speaker on Church Union.

Rev. Prof. G. Yule is Professor of Church History at Ormond College and member of the Advisory Board on the Basis of Union.

Rev. Prof. R. Anderson is Professor of Old Testament studies at Ormond College.

"SAILOR BEWARE!"

WILLIAMSTOWN LITTLE THEATRE'S RECENT PRODUCTION

"Take a good look at your prospective mother-in-law for that is how your wife will turn out"—we don't know who first said that but it is precisely what Albert Tufnell, A. B., did and it very nearly made him change his mind about getting married.

Ngair McCutcheon as the mother-in-law in question was the most organising domineering old so and so you could ever wish to meet and it is no wonder her down-trodden husband, (Bob Harsley) convincing, if a little young for the role, escaped at every possible opportunity to care for his ferrets.

Wouldn't we all recognise the neighbour, "I just dropped in for a minute" (Mary Ironside).

"Sailor Beware!" is a farce and of course the characters are perhaps a little "larger than life" but acting honours must go to Bernadette Twomey for her performance as the spinster aunt, jilted at the altar in her girl-hood.

For such a young actress to play the role of a middle-age woman successfully is in itself an achievement and Bernadette managed to get every ounce of humour and pathos from this part.

Worthy of note too was the performance of young Kerry Cordell, who played the part of Carnoustie Bligh, A.B. Albert's friend and best-man. This young man has had very little theatrical experience but nevertheless gave the role of a dour young Scot a great deal of appeal and his final surrender to the charms of the bridesmaid (Judy Sippo) was quite delightful.

Ellis Ebell as Albert Tufnell, well you know what Sailors are!—he was, Ellis has learnt to relax in his part and has become a most polished performer.

Vin Foster's production was sound but he could have got much more out of some of the comedy situations, particularly the scene with the two sailors in the put-up bed, had the bed been facing the audience, as a result of arranging the bed length-wise to the audience one of the funniest scenes and one of the most heart-warming was lost because we couldn't see the facial expressions.

All the same if the Missions to Seamen hall had any aisles to roll in—the audience would surely have obliged—"Sailor Beware!" was a riot!

DRIVE**Hundreds of inquiries are being re-
ceived from all parts of Victoria about the
Castrol Safety Drive.In fact, the response throughout Australia, has been over-
whelming, and it appears at this stage, that the 1966 event will
be even more successful than the inaugural drive last year,
when more than 1000 entrants completed nearly 250,000 inci-
dent free miles.The Victorian event will
use Chadstone Shopping
Centre as its central control.
From there the field of 300
cars will undertake a road sec-
tion of about 100 miles, dur-
ing which all drivers will be
under secret police observa-
tion.Police will be stationed at
sections of the route which re-
quire safety precautions and
knowledge of road law.They will deduct points for
every breach of road law and
discourteous driving.Each car will carry only a
driver, and his navigator.All drivers will sit for a
written examination set by the
Victoria Police, and will be
asked questions at some con-
trol points.The top 10 per cent. of the
field, after these sections, will
then undertake a series of
gymkhana events at Chadstone
to determine Victoria's three
representatives for the nation-
al final to be held in Sydney
in September.Final teams from all States
will be flown to Sydney by
TAA and spend a week at
Bondi while participating in
the national final.First prize in the national
final will be a return trip for
two to San Francisco by Qan-
tas, plus \$400 in the Bank of
New South Wales travellers'
cheques.Second prize will be a re-
turn trip for two to New
Zealand on Lloyd Triestino's
luxury liner, "Galileo."In the Victorian event, ad-
ditional prizes will be awarded
to winners of four sections—

- ① Mens;
- ② Womens;
- ③ Married-engaged; and
- ④ Teenagers.

Every car in the event must
be scrutineered at a police
station on Saturday, July 2,
and must be roadworthy be-
fore being eligible.The Castrol Safety Drive
was launched in Canberra re-
cently by the Minister for
Shipping and Transport, Mr
Freeth, and is supported in
Victoria by—

- ① The Acting Premier, The
Hon. A. G. Rylah;
- ② The Minister for Transport,
Mr. Meagher;
- ③ The Chairman of the Aus-
tralian Road Safety Coun-
cil Dr. Darling;
- ④ The Chief Commissioner of
Police, Mr. Arnold;
- ⑤ The President of the Na-
tional Safety Council, Mr.
Collocott; and
- ⑥ The Lord Mayor of Mel-
bourne, Cr. I. Beaurepaire.

A presentation night will be
held several weeks after the
event where all entrants can
find out mistakes they made.Officials will be on hand
to answer queries and discuss
the event with competitors.Entry forms for the event
may be obtained from Box
2053S, GPO Melbourne, or by
ringing 34-4111. They can also
be picked up from Brash's
Pty. Ltd. stores at Elizabeth
Street, Melbourne, Chadstone,
Frankston, Dandenong and
Footscray.**Girls Basketball**Altona Methodists B Re-

WATCH REPAIRS**McDONALD'S****HAIRDRESSER and
TOBACCONIST**TATTERSALL AGENT
78 Railway Street,
Altona.**PLANNING SCHEME
AMENDMENTS**All new subdivisions and
future alterations to the pres-
ent planning scheme for the
Shire of Altona will be ef-
fected by amending the scheme.At the council meeting last
week Cr G. den Dulk moved
that this become the council
policy. Cr A. W. Bond se-
conded the motion which was
carried.In recent years the council
has been rescinding altera-
tions from the planning
scheme. By doing this con-
trol of the area in question is
lost to the council and goes
to the Board of Works.However, with the new
policy of amending the scheme
the council retains full con-
trol.The drawback is that rescin-
ding from the plan was final-
ised in approximately five
weeks, whereas amending the
scheme will take about five
months to complete.But councillors consider it
wisest for the Shire to retain
full control of all Altona land.**CORRESPONDENT'S
VIEWS**

Dear Sir,

I have noted with interest
that the use of the Civic Hall
has been given to the Altona
Film Society for six Friday
nights at no charge. This of
course leads to loss of revenue
to the Shire as Friday night
would be a popular choice for
anyone wishing to hire the
hall.Whilst I realise that the
cost in money is immaterial
as long as the cultural activi-
ties of the Shire are promoted,
I would like some assurance
that the privilege given to the
Film Society will be extended
to other cultural groups.Also reported in last week's
"Altona Star" was an article
indicating that a film projec-
tor had been purchased by the
Shire. Was this purchased by
money set aside for cultural
activities or from Shire funds?
If the latter is correct, and
the projector loaned to the
Film Society, will a suitable
rental be charged? If not I
suggest that other groups
could very well apply for
similar concessions, and hence
the sum of money set aside
for the promotion of cultural
activities could be far excee-
ded, and yet not shown to be
charged against on the Shire
balance sheet.I hope this letter is not
taken as a criticism of the
Film Society, but I am inter-
ested to see that all cultural
groups have equal chance of
using the Shire's resources
and facilities.I am, Sir, yours sincerely,
JOHN HARTLEY.

Dear Sir,

One of the most perplexing
problems, has arisen in Altona
which should give any serious
minded person considerable
food for thought. It has been
suddenly high lighted by the
almost negligible response
(about 24 persons) in a com-
munity of several thousand
people to an invitation issued
by the Australian Council of
Churches to join in a series of
informal discussions of com-
munity life topics known as the
Church and Life Movement
Study—Action Programme.Now one does not have to
be a church member, a univer-
sity graduate, a religious or
humanist "crank", agitator or
otherwise, though such people
are welcome to join if they are
prepared to have dialogue with
others not so gifted who have
maybe something to say about
things in our community which
could be improved. And surely
nobody is so complacent about
the quality of life in our com-
munity as to claim that all is
well and no thoughts are neces-
sary—or could't we care less?Well, if one one night a
week over six weeks in June
and July (June 19 to July 31)
is not too much time for any-
one to give up for an opportu-
nity to contribute information
or raise questions about com-
munity welfare, then why not
see your local priest or minis-
ter (or get in touch with the
undersigned) and enrol for the
programme of discussion.The cost? A few cents for
a handbook a pencil and pad,
—that's about allRemember, you've got a
whole life to spend and the
cost of happiness can't be
reckoned in dollars—it's only
when we spend our lives for
the good of others that we
find life for ourselves.Yours etc.,
J. K. Thompson,
73 Civic Parade, Altona.

Dear Sir,

Are you getting the best re-
sults from the young men in
your organization? Help them
improve themselves and hence
their approach to their work,
by nominating them for mem-
bership in this Chamber.The activities of the Cham-
ber include: Effective Speak-
ing, Report Writing, Debating,
International Affairs, Adres-
ses by prominent people and
the general development of the
leadership qualities in young
men.We suggest that you, or
someone nominated by you
would like to attend our June
dinner meeting, where the
speaker will be Mr. David Bur-
ges, immediate past president
of Junior Chamber, Aust. A
small charge of \$1.00 is made**School Football and

ALTONA NORTH TECH. BASKETBALL

Altona North Technical School basketball teams (Ants) in the Victorian Championships last week showed a very welcome return to form when five of the seven teams entered had good wins. Results of games played are as follows—

UNDER 18 A GRADE ANTS v. WEST FOOTSCRAY

Both teams were looking for good wins as on their last meeting the difference was a mere two points. Ants opened with a good press and Ken Travis and Cec Gryzbek were hammering the West guards and with the help of Ray Robinson, created many a fast break. John Hay was having trouble hanging on to the ball and Joe Bilas's usual rebounds were taken by his opponent. When Ken Beckett came on the ball really started to roll and Ants' basket was getting well worn with points. Only West's Darryl West showed any sign of real aggressiveness and so Ants took a very comfortable win.

FINAL SCORES: Ants 49 (Bilas 14), defeated West Footscray 17.

UNDER 18 B GRADE ANTS v. ESSENDON YMCA

The Ants used a full lineup for the first time in weeks and the move paid off. Good defensive work by Paul Ebeyer and Alan Whitby held Essendon right out but apart from Bernie O'Malley, the Ants really didn't look all that hot on offence. John Hinkley came good at last but then on went the Whitby-Ebeyer press and Bruce McCausland whipped in for three quickies. More hard work and John Karpinski and Ken Travis were everywhere, at once. Alan Emmett lifted his game to put in his best for weeks and the Ants raced on to a good win.

FINAL SCORES: Ants 50 (Whitby 13, Travis 12), defeated Essendon YMCA 15.

UNDER 16 A GRADE ANTS v. MELBOURNE 'Y'

Ants looked to be in trouble early with Robert Smithwick and Phillip Elg missing many early shots. But after a few well spent words by the coach Ants really began to roll. Greg Bond and Derek Hendry were starting to hold valuable rebounds and Herman Erkamps put in some good shots from in close. Melbourne's rebounding strength looked like a big problem for Ants, but Ross Leader, although a small player, showed them up on many an occasion.

FINAL SCORES: Ants 18 (Smithwick 8), defeated Melbourne 'Y' 12.

UNDER 16 B GRADE ANTS v. ST. KILDA BCYC

St. Kilda took the floor, the two giants and the three three-quarter giants, and the Ants just about collapsed. Tiny midgets Felix Ebeyer and Lance Emmett were literally playing between the

Saintly legs, but Bill Barlow showed strength and determination enough to slow the Saint's onward march. Gary Hinkley and Terry Sheahan at last came good on defence and a couple of good interceptions by Gary Willis stemmed the tide—in fact defensive wise the Ants weren't bad. Different story on offence, though—the Saints were a mile too big!

FINAL SCORES: St. Kilda PCYC 41, defeated Ants 2 (Hinkley 2).

UNDER 14 A GRADE ANTS v. FISHERMANS BEND

With 10 on the bench, the Ants played a full court press all night and broke their run of outs with a good win. Dave Luck and Peter Stirling broke the ice, but with Geoff Carruthers unable to move without an umpires whistle, things were only so so until Chris Ridge and Ray Henderson demonstrated just what is needed for the press. Recruits Robert Turner and Robert Vahos alternated and effectively blocked one of the Ants defensive gaps, then Ken Ridge showed steadiness under pressure and it was another win!

FINAL SCORES: Ants 22 (Luck 9), defeated Fishermans Bend 13.

UNDER 14 (1) B GRADE ANTS v. BRIGHTON YMCA

Coach Paul Ebeyer had super dribblers Carey Smith, Barry Millson and Alex Straubinger on together and the move paid off as Brighton's offence could not get started. Robert Whittaker was rebounding strongly but two Brighton giants proceeded to dominate and it was tit for tat. Then Ross Ritter showed how to block out. Peter Ebeyer stole twice in a row, Trevor McCubbin held possession and the Ants had it won.

FINAL SCORES: Ants (1) 23 (Smith 11), defeated Brighton YMCA 22.

UNDER 14 (2) B GRADE ANTS v. CHURCH

Church were the opposition and with Ron Coates racing between their bootlaces and Michael Downey moving well in offence, the Ants were doing very nicely. Peter Gates and Angelo Vasiliadis were intercepting well and things were a bit too good to be true. The Ants switched to a man for man defence and disaster struck—they just couldn't handle the size and speed of Church and that was that.

FINAL SCORES: Church 39, defeated Ants (2) 13 (Vasiliadis 6).

DARTS DATA

SINGLES CHAMPIONSHIP

Tonight, Thursday, June 9, will see the final 16 players contest the 1966 singles title of the Western Suburbs Darts Association at the Altona RSL Hall, commencing at 8 p.m.

With the elimination of Wally Ellis (the title holder for 1964 and 1965) and Ron Bailey (1965 State singles champion), the event is now wide open with plenty of speculation and a good night of darts is assured.

The final 16 players are as below—

C. Savi (DPH) v. E. Healy (PH). R. Turner (CH) v. H. Rule (Alt. RSL). D. Stihk (BH) v. J. Taylor (Plough H). A. Shipsey (LPA) v. L. Fry (CH). J. Crooks (PH) v. H. Fox (ICI). M. Ellis (Alt. RSL) v. T. Rogers (SDC). K. Dean (BH) v. R. Barker (Com. H.). C. Mannering (CH) v. M. Mesghesz (UCA).

"RIDE 'EM COWBOYS"

RODEO NEWS

A great crowd of people turned out to see the rodeo in Altona last Sunday afternoon and although police had a field day booking cars that were double parked, the weather was so good no one really cared.

Besides the normal rodeo events there was a poddy-calf ride for juniors, a wild steer race, a wild horse race and a feature ride. The feature ride was the curtain raiser to the program when two well-known riders attempted to stay on "Guts," the unridable cow. Tiny West was the first to try and after a few quick spins by "Guts" was sprawled in the mud. This prompted Ray (Chooka) Fowler to make a comeback and although he stayed for the eight seconds he too was upended.

Results of the rodeo were as follows—

Saddle Bronc Ride: 1st, Wally Dalton; 2nd, Pete Lemmer; 3rd, Garry Tangey.

Bare Back Bronc Ride: 1st, J. Flynn; 2nd, Tiny West; 3rd, R. Revel.

Steer Ride: Equal 1st, K. Keneally and A. Davitt; 3rd, Stan Thompson.

Calf Roping: The winner was Wally Dalton (6.8 secs.).

Bulldogging: Tiny West was the winner.

Judge of the events was Johnny Elso, who is well-known in the rodeo world and the Chute Boss was Gerry Murphy. Gerry was pretty stern with his riders, but he proved to be a good master of ceremonies to the spectators.

The Arena Directors were George Marsh, Dick Chandler and Allan Tipping, and Dick and George also deserved a special mention for work on the arena, mustering and supplying of livestock and general organisation of the whole rodeo.

Most of the event winners came from the West Footscray district, but quite a few Altona boys rode. However, locals Stan Peel and "Bongo" Hobbs are well up in the ratings of Australian rodeo riders and Stan has won well over \$200 prize money.

"Bongo" wasn't in attendance last Sunday as he's touring the Queensland rodeos at present.

If you've developed an interest in rodeo through Sunday's performance the next show will be run by Les Jackson the weekend after Queens Birthday. This time the rodeo will take place behind the Guiding Star Hotel in Geelong Road.

Dear Sir,

Now that a decision has been made about the explosives area, I suggest that the Council should encourage our local bus service to extend, when necessary, rather than the tramways buses.

After all the local bus service run by Mr. Joiner, has endeavoured to give a bus service, at reasonable cost to the ratepayers, and as he pioneered it, it seems unfair to go straight to the opposition, the Tramway buses.

He should certainly be consulted first.

It is to be hoped the sewerage and drainage area of 146 acres is not to pollute our beach, and also, that it isn't going to pollute the air, for the 1600 to 2000 people in the new homes nearby.

Yours faithfully,
Mrs. A. Dickson.

15th Melbourne Boys Brigade

With the addition of three officers this year the company is coming into good shape; a wider program is now available and advancement is speedier with the maintenance of group discipline.

The drill group is now progressing steadily and it is hoped that the squad will compete for the drill shield in the near future.

Last Friday night as there was no woodwork the whole company did gymnastics, followed by two quick rounds of poison ball and one of British Bulldog, which for once didn't claim too many casualties.

Inspection of uniform is now being carried out every week and the squad medal will be awarded regularly once a month to the best group of boys.

METRO. FOOTBALL LEAGUE — 2nd XVIII

Reserves Defeated After Last Term Lapse

ALTONA 1.1 1.3 4.4 5.6 —36
BRUNSWICK DISTRICT 2.4 5.7 7.11 12.14 —84
GOALS (Altona): Medding 2, Wooding 1. Piovesan 1 and Harnden 1.
BEST (Altona): Tyrrell, Lou Thompson, Itter, Neal and Rose.
REPLACEMENTS: Harnden replaced Piovesan in the third quarter. Davidson replaced Rose in the last quarter.

Altona's Reserve XVIII travelled to Brunswick to play Brunswick District in the Metropolitan Football League Second Division game last Saturday.

With a good ground and little wind, a crowd-pleasing game resulted.

Although the score indicated a bad loss, Altona fought hard all day and were within two goals of their opponents 15 minutes before the final siren when a lapse of concentration by Altona allowed Brunswick to put on five goals and run out easy winners.

With more experience a win should soon be forthcoming. The team must learn to talk to one another and back each other up. Saturday's game was one of the best played by the Reserves this season.

HIGHLIGHTS

TYRRELL'S brilliant marking and kicking sent the ball forward repeatedly and he was the inspiring force which held the back line together.

LOU THOMPSON initiated many forward moves and used

his experience to advantage. ITTER, with two brilliant quarters, repulsed many attacks.

NEAL was very solid on the half-back flank and later, when moved to the forward flank, gave support to a failing forward line.

ROSE played a solid game at centre half-forward.

MEDDINGS scored a brilliant goal when hard pressed and held by two opponents, he swung round and with his left foot scored a much needed major.

PIOVESAN, although injured, showed grim determination when he kicked a goal but immediately collapsed and had to be replaced.

WOODING, in the centre, played an intelligent game.

BRENNAN won well in the ruck, but received little support from his rovers.

SALISBURY, although he was beaten on the wing, came into play noticeably when he was shifted to the back pocket.

HARNDEN kicked out well as full-back after being shifted from the back pocket.

METRO. FOOTBALL LEAGUE — 1st XVIII

Easy Win for Firsts

ALTONA 6.5 11.6 19.14 24.24 —148
BELLFIELD 2.2 4.8 4.10 7.12 — 60
GOALS (Altona): Munro 9, Huggins 7, Devereaux 3, Piovesan 2, Gurrie 1, Rohleder 1 and Yorke 1.
BEST (Altona): Mal Tisdale, Munro, Huggins, Yorke, Rohleder and Devereaux.
REPLACEMENTS: B.Hogan replaced P. McLean (unavailable) in selected side. G. Cummin replaced B. Hogan in the final quarter.

For the third week in a row Altona only had one reserve. Owing to the wet weather and water laying on the new ground, the match was played on the old one. Altona won the toss and with a slight breeze favouring the swamp end, kicked with the wind.

Bellfield were first into attack and scored a behind. From the kick in a free against an Altona player was given to Bellfield who had no trouble in scoring their first goal. Altona replied through the agency of Yorke to Devereaux to Rohleder for their first goal. Piovesan kicked Altona's second by scouting the pack and his kick rolled along the ground to score. A free to Devereaux in the back pocket relieved the pressure for Altona. Not long after Devereaux, in front of goal, scored Altona's third.

Bellfield registered their second major through the loose play of Altona's backmen. Good handball by Altona Captain Noel Rohleder saw Gurrie kick the fourth goal for Altona. Centreman Mal Tisdale was giving Altona great drive. Breaking away from the centre he passed to full-forward Munro, who made no mistake and up came the fifth major to Altona. Rohleder passed to Huggins for the sixth.

Altona's ruck strength in this quarter dominated the game. This is shown by the number of marks taken by them, Yorke seven and Huggins four. Tisdale, with dash-ing pace, was continually driving Altona into attack. He was ably backed on the wings by Molloy and Cummin.

Bellfield opened the second quarter by again scoring first, a behind.

Molloy, breaking away, handballed to Tisdale, who passed to Huggins, who in turn handballed to Gurrie, to Devereaux for Altona's seventh goal.

The next major came from Yorke. Bellfield kicked their second goal when Ian Harris grubbed a kick-off.

Cummin, with dashing speed and tremendous marking, was playing extremely well. Goals for Altona came from Huggins (1), and Munro (2). Bellfield scored their fourth when Altona let players run loose in front of goal with out picking them up.

In this quarter Altona's marking was excellent and they were unbeatable in the air.

Altona's first goal for the second half saw G. Cummin break away from his oppon-ent and pass to Piovesan, who handballed to Huggins and he kicked his third goal of the match.

Altona were playing fast, play-on football now and were moving the ball along at all cost. They were more like the Altona of old, playing a better brand of football and their best so far this season.

Tisdale to Stephenson saw him, with a long kick for goal, land the ball in the square. Munro, scouting the pack, put another one through for Altona.

From the centre bounce Rohleder handballed to Gurrie, who passed to Tisdale and with a very long kick, scored a behind. From the kick-off Gurrie marked and passed to Huggins for his fourth goal.

Altona attacked again from the bounce and a free to Huggins enabled him to score his fifth major for the match.

From a throw-in Huggins grabbed the ball and registered his sixth. Harrington to Piovesan saw Mario kick his second goal.

Bellfield could only manage two behinds for the quarter to Altona eight goals eight behinds. Munro (full-forward) added two more majors to his tally.

Altona went into the last quarter with a lead of 15 goals 4 behinds.

Altona's first goal for the last term was scored when Huggins handballed from a boundary throw-in to Munro, who made no mistake to score his seventh for the match.

From a free at centre half-forward Ian Harrington passed to Piovesan who found Munro and his eighth major was on the board. Tisdale broke away from the centre and he found Huggins who registered his seventh goal.

Huggins, handballed to Devereaux for his third goal, Bellfield scored three goals

WESTERN SUBURBAN FOOTBALL LEAGUE

THRILLING DRAW IN UNDER XVIII GAME

ALTONA 5.6 7.8 10.10 12.12 —84
WERRIBEE 2.1 9.7 10.11 12.12 —84
GOALS (Altona): Hobbs 3, Hogan 3, Walker 3, McCutcheon 1, MacFadyen 1 and Wenlock 1.
BEST (Altona): Thomson, Walker, MacFadyen, McCutcheon and Butterworth.

In ideal conditions before a large crowd at Soldiers Reserve, Werribee, last Sunday, Altona fought desperately to maintain their unbeaten record.

In a match in which fortunes fluctuated from term to term, it was sheer courage and refusal to admit defeat that enabled Altona to come from behind at three quarter time, and, attacking to the Duncans Road goal, managed to get up to make a draw; a fitting result to a game in which neither side was consistent.

Werribee swung into attack from the start of the game, but the Altona backline stood firm and repulsed the attack. Play was transferred to the opposite end and the first score of the game came after Mick Allen marked. His shot was off line for a behind and MacFadyen and Walker scored two more minors before Hobbs kicked the first goal of the game for Altona.

Another behind to MacFadyen and then it was Werribee's turn to score. Showing more understanding on their forward line they kicked accurately to go to a lead of two goals to 1.4.10.

An unusual incident then occurred—the goal umpire signalled a goal to Werribee and had waved the flags. The field umpire ran into the goals and a behind was recorded as the shot had been touched and the goal umpire had not heard the call of "Touched, all clear."

Altona then attacked for goals to Walker (2) and Hogan. A costly interference by Kendall, the Werribee Captain, after the player had kicked resulted in a free down field to Robin Hobbs, who registered his second goal and Altona's fifth. Wenlock had a chance but just missed for a behind and Sam MacFadyen registered his third behind for the quarter as the bell rang.

Upon resumption Altona raced into attack for Walker to mark nicely and kick his third goal.

It looked to be a case of how much Altona would win by at this time and everybody wanted to get into the act, especially the wings and half forward flankers, with the result that when Werribee

swung into their long kicking play-on game they had loose men everywhere and goals came easily to them. They were playing better football and winning in almost every position.

Without "Bones" Thomson, who marked everything that came his way, Altona would have been more than three goals down. In a belated drive forward by Altona interference in the ruck by Werribee resulted in a free to Wenlock, whose goal made the difference 12 points in Werribee's favour. Inspired by their goal Altona attacked again and were lucky when Wenlock snapped a behind from a throw-in after the bell had rung and apparently had not been heard by the umpire.

Altona attacked desperately in the resumption of play in the third quarter, but the Werribee rovers were both damaging players and sharked most of Wenlock's knock-outs.

Werribee scored a major but the defences of both sides were on top as play saw-sawed from end to end. After McDonald scored a point, Tommy (one goal) Hogan took two good marks in the goal square which both resulted in majors. After a good mark Wenlock missed again—definitely not his accurate day—but McCutcheon had a chance as the bell rang—for the third time a kick after the bell—this time it was more successful, as a lovely long kick sailed right through the middle and Altona were back in the game.

The stage was set for a thrilling hard slogging last quarter as the ball was bounced and from Wenlock's hit out Taylor raced the ball forward where Hobbs rammed his third goal through and Altona led by five points.

Attacking again, Kendall, who had been quiet early, repulsed Altona easily on numerous occasions. The Altona half-forward line was kick chasing again and they were repeatedly caught out of position. As Thomson and John Stevens (in his first game—he replaced Alan Davis (injured) at half time) repulsed Werribee attack after attack, Butterworth cleared round the wing but the Werribee rovers were not to be denied and were instrumental in the home side scoring two majors to go to a lead of eight points.

Peachey marked nicely to send Altona goalwards, but to no avail and the quarter was almost half way over when Haugh replaced Kearsley and immediately started to make his presence felt. Behinds by Haugh, MacFadyen and McDonald left Altona six points down when a lucky kick off the ground by Mike Allen was marked close in by Sam MacFadyen, who kicked truly to register his first goal of the day and tie up the scores.

Both teams were now very tired and showing signs of the hard fast game, threw themselves desperately in to the fray to get the vital break through.

It was Werribee to attack first but the unpassable Thomson turned them out and up the wing went Altona — deep into the pocket went the play where Boyle had a good chance to score but kicked out. Werribee forced the ball towards the centre but had just about run out of steam as the bell sounded time with a fitting result to a good, fast vigorous game.

The Altona centres and the half-forwards must play more to position and mind their men better if they are to continue their winning streak.

in this quarter. All interest was on Munro and Huggins to see who would kick the most goals for Altona. Hogan, who was playing well in his new role of back pocket, followed the ball up the ground and found Munro and he scored his ninth and the final goal of the day for Altona.

Altona ran out easy victors on the day and players are to be congratulated on this fine performance, but they over did the handball on several occasions.

CONGRATULATIONS

Players and supporters of the Altona Football Club wish to congratulate Ian Harris and Coral Lancefield on their recent engagement.

Also, the club would like to thank Mr G. Ewen and Mr R. Hogan on their kind gesture after the game.

NEXT GAME

This Saturday Altona play Fairfield at Altona. Altona must win this game to move further up the ladder.

WESTERN SUBURBS FOOTBALL LEAGUE

WEST NEWPORT DEFEAT LAVERTON

West Newport won their open age match against Laverton in the first 10 minutes by slamming on five goals.

From then on it was a very even tussle. On Saturday next West meet the only other unbeaten side, Newport, at Loft Reserve, West Newport, and this should be a thriller.

Werribee Under 18 showed much improvement by holding Altona to a draw. There is very little between the top four teams in this section and some interesting games are ahead.

In the second round of Under 16 matches, results were as expected, but the difference in scores was not as great as when they first met, which indicates that the underdogs, Devon Park, Altona and Newport, are starting to show form.

RESULTS

OPEN AGE

Maidstone 9.21.75 d. Kingsville 6.1.37. West Newport 9.9.63 d. Laverton 6.7.43. Albion 16.16.112 d. South Kingsville Rovers 5.6.36. Central Altona 16.21.129 d. St. Albans 4.4.28. Newport had the bye.

UNDER 18

Werribee 12.12.84 drew with Altona 12.12.84. Central Altona 14.13.97 d. Laverton 2.4.16. West Newport 14.35.119 d. Newport 2.4.16.

UNDER 16

West Newport 22.22.154 d. Devon Park 2.0.12. Werribee 10.13.73 d. Altona 4.4.28. Newport had the bye.

CENT. ALTONA v. Newport.
West Newport v. WERRIBEE.

Altona Tennis Club Titles

CLUB CHAMPIONSHIPS

There will be no play this coming weekend.

The draw for Sunday, June 19, is—
9.30 a.m.: Men's Doubles.
10 a.m.: Ladies' Doubles.

101 POINT WIN TO CENTRALS

In the first quarter Central Altona, playing champagne football, looked like kicking a mammoth score when at quarter time they led 8.4.52 to St. Albans' 1.1.7 in the Western Suburban Football League Open Age Section last Saturday.

However, for the following three quarters Central Altona ran into shocking inaccuracy by kicking 10 goals 17 behinds.

The 101 point win was enough though to put Central Altona back into the four by 1.7 per cent, and the job now is to stay there.

GOALS (Central Altona): E. Jepsen 5, G. Coulston 3, T. Holland 2, C. Peatling 2, G. Harrington 2, D. Kakoschke 1, J. Cargill 1, D. Robinson 1.

BEST (Central Altona): G. COULSTON, a driving force at centre half-forward and showed a return to form which made him one of the best players in the Under 18 League two seasons ago.

LOTT, gave the forwards plenty of opportunities with a good game on the wing. B. TREVEAN, an inspiration all day whether on the ball or resting on the forward line. Then followed D. ROBINSON, E. JEPSEN and T. HOLLAND.

LEADING CENTRAL GOALKICKERS SENIORS

E. Jepsen	11
T. Holland	10
D. Kakoschke	9
G. Coulston	8

POINT OF INTEREST

After five games the Central Altona senior team have kicked a total of 55 goals 75 behinds, and have had 48 goals 37 behinds kicked against them.

Straighter kicking would have consolidated their position in the four with a greater percentage.

CENTRALS U.18 DOWN LAVERTON

The first half was a scrumbly affair against Laverton in the Western Suburban Football League's Under 18 Section, with no team able to open the game up and both defences on top of the forwards.

At half time Central Altona led 5.4.34 to Laverton's 2.3.15.

Coach T. Jepsen made a vital change for central Altona at half-time by switching leading goalkicker N. Davies from centre half-back to full forward. R. Smutney was put back to centre half-back.

Centrals immediately were able to open up the forward line in the second half and with Smutney and A. Montgomery at full back starving the Laverton forwards, Central Altona ran out easy winners.

GOALS (Central Altona): N. Davies 3, E. Szatkowski 2, W. Smith 2, D. Hendry 2, T. Rouhard 2, W. Guhl 1, A. De Michael 1 and W. Kennedy 1.

BEST (Central Altona): E. SZATKOWSKI, playing his first game for the season, was one of the few forwards to give a full 100 minutes of football and "Baldy" looks like fitting well into the team. R. HENDRY, seemed to relish his return to the centre and gave a very intelligent display of football. W. KENNEDY, roved well to the rucks all day and was always looking for a player to pass the ball to down the field. Following very closely were R. SMUTNEY, A. MONTGOMERY, W. GUHL (also playing his first game) and M. LAWRRIN.

LEADING CENTRAL GOALKICKERS

UNDER 18	
N. Davies	22
M. Lawrrin	14
A. Montgomery	10
W. Kennedy	7
A. De Michael	7

POINT OF INTEREST

After six games the Central Altona Under 18 team have kicked a total of 82 goals 87 behinds and have had kicked against them a total of 41 goals 36 behinds.

"ALTONA STAR" FOOTBALL AWARD

UNDER 18

JUNE 5: v. WERRIBEE
3 A. THOMSON, for a strong dashing and determined effort all day, easily the best man.
2 P. WENLOCK, took a very heavy knock early in the game and although not as effective as usual, showed the right spirit in refusing to admit defeat.
1 MICK ALLEN, revelled in the rough tough work, not a flash player, but full of determination. A fine team player.

FOOTBALL CLINIC

On Tuesday, May 31, a very successful football clinic was conducted by John Heriot, Max Papley, Kevin Batch and Bob Straun of the South Melbourne Football Club.

The clinic was conducted at the Seaholme Primary School for 100 boys of Altona, Altona West and Seaholme Schools. The VFL footballers demonstrated many skills needed in successful playing of football, following up this by allowing the boys to practise these and correcting any faults.

The footballers and the South Melbourne Football Club were thanked by sports masters of the three schools for the interest they have shown and the help they had given.

Letter to the Editor

Dear Sir,

After reading Mrs. Evan's letter about Cr Crofts, and his failure to move the Briquette dump, from Paisley, I was amazed.

After all, what have our eight Labor Councillors been doing, that they haven't had it moved.

He said in his manifesto, he would work for it, to be removed, but without support, from his fellow councillors, and failing to have a magic wand, he can only try.

In another letter, Mrs. Evans mentions having heard it said, party politics should not come into council affairs, this sentiment I heartily agree with. All that is needed, is a man dedicated to do the best, for the Shire. Such a man as Cr Crofts, is proving himself to be.

Yours faithfully,
Mrs. A. Dickson.

Social Bowls

Winners of the indoor social bowls this week at Altona Bowling Club were—

Thursday: J. O'Donnell, D. Nettleton and J. Douglas (s).

Sunday: H. Condon, P. Gischus and T. Mitchell (s). Birthday greetings this week to E. Davey, G. Sevlor, J. Whyte, D. Siphthorp, C. McDonald and T. Olliver.

Congratulations on their wedding anniversaries to Marj and Noel Richardson, Bess and Marty Neal, Jane and Glen McNeillage, Isla and Bill Probert.

DATES TO REMEMBER

Saturday, June 18: Social at 8 p.m.;
Saturday, June 25: Picture Night at 8 p.m.;
Monday, June 27: Annual General Meeting at 1 p.m.

LADIES HOCKEY

B GRADE
Altona lost to Ivanhoe 2.0 in Ladies B Grade Hockey last Saturday.

Altona went into attack from the first whistle but owing to left wing absent and the right wing out with injuries, found it hard to score.

After bringing back P. Montague on to the forward line to fill the gap Altona managed to find the net from a nice shot by K. Smith.

This was to be the trend of the match with Altona attacking most of the time. However, P. Montague had to go back on to the back line when C. Kel was injured. This left Altona with a very poor forward line and even though they attacked time and time again, could not find the net.

Ivanhoe managed to score two goals to run out the winners.

Thanks to W. Newman who ran on just before half time to fill the team.

Thanks also to B. Smith, J. Gardner and Mr. McKenzie for umpiring.

GOALS: K. Smith 1.
BEST: K. Smith, P. Montague, R. Hayes.

D GRADE
At Glenroy, Altona 3 de-

feated Glenroy 1. It was a hard game, with Altona one player down and the ground played on very uneven. Immediately Altona went into attack and after five minutes Liz Szatkowski scored Altona's first goal. Glenroy played very hard but could not get past Altona's half-back and back lines. With combined play between the half-back and forward lines, Liz once again scored a goal.

After half time, Glenroy, with renewed strength, went through and scored their only goal. Altona's third goal was hit by Pam Wilett, during the second half.

BEST: Carmel Malloy and Kristine Harley.

D RESERVE
Altona D Reserve lost to Reservoir 8-0.

Although the scores indicate differently, Altona played their best game yet this season. The only reason why Altona lost so heavily was lack of teamwork by the forwards inside the circle and poor defence by the goalkeeper, although one of the highlights of the game was the winning of a penalty bully by the goalkeeper.

BEST: Christine Clough, Kay Deegan and Gail Studley.

A.N.T.S. SPORT RESULTS

Results of matches played by Altona North Technical School (Ants) in the inter-technical school sport last week are as follows—

SQUASH

ANTS v. SUNSHINE
In the fifth round of inter-technical school squash on June 1 Ants played Sunshine. In the first game Wayne Curran, with evidence of nervousness, played well but could not pull off a win. Zdzistav Sczerba a little relaxed on previous form, took his set to three games, but unfortunately was unable to win. In the third game Steve Milan easily defeated his Sunshine opponent. The last game saw Ted Joniec playing good squash and he completely outclassed his opponent, thus giving the match to Ants.

FINAL SCORES: Ants 2 rubbers 5 games 66 points, defeated Sunshine 2-4-49.

JUNIOR SOCCER RESULTS

Western suburbs Junior Soccer matches played last Saturday, June 4th are as follows:

UNDER 10

Sunshine Heights A 2 d, Sunshine City A 1.

Laverton Clinic Hours Extended

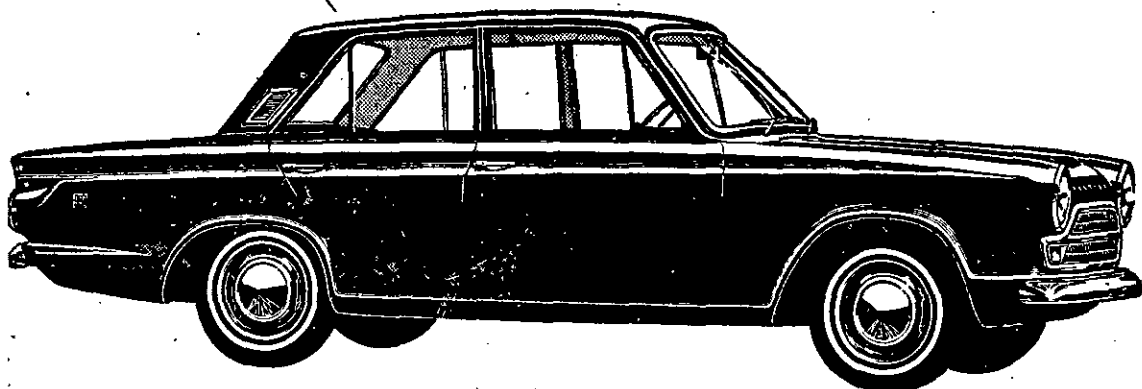

For the first time residents of Laverton have a medical service comparable with areas served by a resident Doctor.

Consulting hours at The Clinic Altona Laverton surgery have been extended to provide a day and evening service and a Doctor is on call 24 hours of each day.

Extension of the hours will be welcomed by Laverton residents who, for some time, have been seeking an improved medical service.

In an attempt to give a better service the Clinic has added two more Doctors to the medical staff—six Doctors are now available.

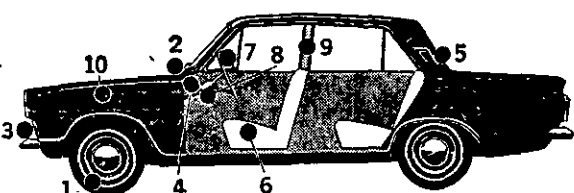

Go by VALUE..

If you're after the car that gives you the most features for your money as a family-sized economy-car, or as a business car for your fleet, go for Cortina. Cortina gives you 5 to 6 passenger room, a huge 21 cubic feet luggage boot, choice of 2-door and 4-door models, up to 40 miles per gallon, 6000-mile oil change and lubrication, 4-speed, all-synchromesh gearbox, and a choice of 2 race-bred engines.

THE BEST-VALUED CAR IN ITS CLASS!

1. Front wheel disc brakes—for faster braking, added safety; 2. Windscreen washers—for extra driving convenience and safety; 3. More engine power—more torque—for even higher performance and better low-speed flexibility; 4. Aeroflow ventilation—for air-conditioned luxury. Aeroflow draws fresh air in through

adjustable intakes on both ends of the instrument panel; 5. Air extraction vents—for a complete change of air inside every 40 seconds; 6. Smartly patterned vinyl upholstery—for added style and longer life; 7. Deep-dished steering wheel—for still more safety; 8. Lighting control antenna—for finger-tip lighting control; 9. Seat-belt anchorages—for Lap and Lap/Sash seat belts; 10. 6000-mile oil changes—plus 6000 miles between routine servicing.

There are four Cortina models — the "220" and "240" (shown right) 2-door sedans, the "440" (shown top) 4-door sedan and the GT 4-door sedan.

Superannuation is available after qualifying period. Age 25-35 years. Applications (in writing or telephone personnel officer at 65-8171).

UNION CARBIDE AUSTRALIA LTD.
Maidstone Street, Altona.

Altona — Ten Terrific Triers

In the soccer match against Ringwood at Kim Reserve last Saturday, Altona had to battle for 75 minutes with only 10 men.

Outside left Billy Liddell had been ordered off by the referee for abusive language. If there is any justice in this world, this referee will have to answer for the "crimes" he committed on Saturday. He was completely incompetent to referee a match of any importance at all.

Altona introduced a new goalkeeper, Jimmy Brown, from Liverpool, England, and it was soon evident that he was of good ability. Just after the start he distinguished himself by bringing off good saves, but tragedy struck Altona for the eighth time. A defender deflected a harmless ball past his own 'keeper to put Ringwood one up.

Back stormed Altona and it was then the referee gave the first of his many bad decisions. "Professor" Wilkie squared a lovely ball in from the right and Billy Coles let go a tremendous right foot drive which beat the 'keeper all ends up, but to the dismay of all concerned Mr. Huddle, the referee, had chalked it off. Why? A secret only he knows. An outraged Billy Liddell asked why and was promptly sent off the field. A shocking decision.

It was a good game to see. Play swung from end to end with both sides having narrow misses and at half-time Altona were down 1-0.

After the turnaround it was all Altona right from the word go. They tore into attack trying desperately to get the equaliser. Mario Grecco and Andy Rice kept pushing the ball along to Billy Coles, playing his best game ever in spite of a heavy cold and he had the Ringwood defence on toast and as he tried to bring Stever Herman into the game a Ringwood player handled the ball in the forbidden area and it was a penalty for Altona.

Mario Grecco took the kick and scored a goal. With their tails up the Altona side pinned Ringwood in their own half of the field. Bobby Miloy missed a sitter, Stever Herman had hard luck and the panic-stricken Ringwood defence were giving away corner after corner.

Another bad decision by the referee robbed Stever Herman of a penalty. He was ruthlessly pulled down inside the box from behind.

Billy Coles was burning on the left and time after time he was pulled down, but there was no holding him. He raced through, chipped in a lovely ball which "Smiler" Holland banged over the bar.

Jimmy Brown in goal made his only mistake of the game when he misjudged a high lob, got his hand to it, but could not stop it crossing the line for another goal to Ringwood.

Back raged Altona again. The referee performed his acts, which would have got a laugh had it been on TV, but too much hard work goes into Altona Soccer Club for the officials to take this sort of thing lying down and it was no surprise when the final whistle went to hear that a protest was being lodged against him.

FINAL SCORES: Ringwood 2, defeated Altona 1.

RESERVES

Altona Reserves, unbeaten in their last seven games, served up a crowd-pleaser.

Tony Cassar, who came on in the second half, played a big part in this win. He stormed down the wing, crossed a beautiful ball to Jablonski, who flicked it to Perry with his head and it was in the net for number one.

Perry made it two with a 25 yard drive into the top left hand corner of the net and a minute later Cassar rocketed in number three from 12 yards out after good leading up work by Alan Wynne.

Come early and see these lads, it's well worth while.

Basketballers Enter Victorian Titles

The Altona Youth Club No. 1 basketball team has been nominated to compete in the Victorian Championships which will be played on Wednesday nights commencing towards the end of August.

Within the next week or two the squad from which the team will be drawn will be selected and training will commence immediately.

On Monday of this week the No. 1 team defeated Prah-ran 50-39.

Taking advantage of Prah-ran starting the match with a player short, Altona established a handy lead in the first ten minutes of play. John Carr playing pivot position soon found the basket—this gave the team confidence and more baskets were found by Peter Wagner and Robert Johnson.

However, with the arrival of Prah-ran's 5th player the situation changed. But by the time Prah-ran found their feet Altona had established a 20 point lead.

During the second half Altona made their usual mistake—took the game for granted. Through Jim Davis's determination and urging of the players to keep playing Altona managed to hold their own.

In the second half both teams scored an equal number of points. Best player John Carr.

The No. 2 team received a walkover from Ashburton, and still retain the top position on the ladder.

ALTONA U.16's DOWN TO W'BEE

Altona Under 16's 4.4.28, were defeated by Werribee 10.13.73 last Saturday morning.

The local lads outplayed Werribee for three quarters, only to lapse badly in the final term. This seems to be a weekly habit of the lads. Unless they can sustain four quarters of football they will be struggling against the two top sides.

Special mention to the outstanding game of centre half-back J. Male, who was ably assisted on the flank by G. Hardman. Paul Hartney rucked well for three-quarters but faded a little in the final term.

GOALS (Altona): Holden 2, Shannon 1 and Stephenson 1.

BEST (Altona): J. Male, G. Hardman, R. Zapart, P. Hartney, Walker and I. Hardman.

VOTES.—J. Male 3 votes, G. Hardman 2 and R. Zapart 1.

NEXT GAME

On Saturday Altona will meet Devon Park at Altona.

ALTONA HOCKEY RESULTS

C NORTH

Altona, confident at the top of the ladder, went into the game, not with the idea of winning, as they did not play as a team until late in the first half.

A good pass from Doerner found Grant in front, who scored. After this Altona were in the game and showed that they aim to stay the top side. Then with strong play from McCauley who goalied, Altona were two up at the change.

In the second half Reservoir tried in vain to score, only to be held out by the backs. McCauley scored again to finish the game 3-0 in favour of Altona.

BEST: R. Smith, E. McCauley and D. Spackman.

D NORTH

Altona met University Black at Royal Park, with Altona exhibiting an enormous amount of enthusiasm.

After winning the toss and choosing the dry end, Altona showed that they meant business and took the ball to the forward line, where Curnow had an unlucky miss. University capitalised on this and with better play on their mud forward line soon goalied and then followed up with five more.

After the change, Altona, with a little more thought before hitting the ball, passed to Grant, who took the ball to the forward line from where Golden goalied. Thence followed two more, but in the latter stages Altona did not remain a systematic team and were unable to score.

University 6, defeated Altona 3.

GOALS: Golden 1, Egan 1 and Curnow 1.

BEST: Golden McCarthy and Curnow.

UNDER 16

In an even game in which both Altona and Elsternwick were constantly in attack, and in which Altona's half line were solid in defence, making saves all day, Altona broke through with the first score.

This was quickly followed up with good play by Elsternwick to level the score. Late into the second half Altona managed to score, and thus won the match whilst the other team were arguing amongst themselves.

Final scores were Altona 2, Elsternwick 1.

BEST: R. Ford, B. Forrester and J. Hunter.

UNDER 14

Altona commenced this game without several of their regular players due to upgradings and illness.

After a very quiet first half in which Altona had all the play and the full backs and goalie getting cold due to lack of work the result was still nil all.

Several positional changes were made to try and put more drive in the forward line. From the first bully the forward line attacked with more determination and combination enabling Rob Pratt to score. Several minutes later Richard Lukoszek scored the second goal after having two others disallowed due to infringements. Credit must be given to a new first game player, R. Heaney, who as a last minute substitute capably filled the difficult left wing position.

Pratt and Lukoszek both scored in Altona's 2-0 win.

BEST: R. Lukoszek and R. Byrne.

UNDER 12

Altona travelled out to Kew and proved that they can handle muddy conditions as well as they do the dry.

The outstanding mudlark was Greg Richardson, who controlled the play, almost submerged to his ankles in a muddy turf cricket pitch.

Good systematic hockey on the forward line was marred by poor shooting for goal by all forwards, except Johnny Trickey who netted the ball five times. Other goalscorers were J. Forrester 3 and Paul Grant 1.

FIVE YEARS AGO

(Extracts from the "Altona Star," Thursday, June 8, 1966.)

AIR POLLUTION

The Health Inspector (Mr J. Mellors) reported two deposit gauges had been fitted in localities as required by the Clean Air Department officers.

Mr Mellors said it would be noted that none were placed near the State Electricity Commission Depot. He recommended that the Clean Air Department be requested to locate one in this area.

CR DEN DULK FORCED OUT OF ELECTION

Cr G. den Dulk was forced to retire as candidate for the Southern Province because he had only been naturalised for two years. The qualification is five years. [The rejection of Cr den Dulk was followed by an Act of Parliament reducing the qualifying period.]

EXTENSIVE STREET SCHEME

A loan of £90,000 for private street construction has been negotiated. £59,000 of the money will be spent on Rayner, Rose and Railway Streets.

ROAD SAFETY COMPETITION

Local children Jeremy Parker and Susan Riley gained merit awards in the colouring competition run by the National Road Safety Council.

HEART APPEAL

District Chairman of the Heart Campaign wishes to thank all concerned for the magnificent total of £308 obtained in Altona in two hours.

GOLF KOORINGAL GOLF

Saturday's bogey results from Kooringal Golf Club are as follows—

A GRADE: R. Vise (6), 3 up.

B GRADE: R. Harrison (11), 3 up.

C GRADE: H. Holmes (18), square, on a countback from D. Clarke and C. Piffereni.

MONTHLY MEDAL resulted in a tie between R. Vise and R. Harrison, the replay to take place at a later date.

Sunday's bogey competition was won by C. Hillman (13), 2 up, from G. McDiven (7), 1 up, L. Walters (11), 1 up and P. Hyne (16), 1 up.

Ladies GOLF

ASSOCIATES

Kooringal Golf Club Associates results from Tuesday, June 7, are as follows—

May's MONTHLY MEDAL replay was won by Ms. D. Wood (30), 70 net.

Stroke results were—

A GRADE: Mrs M. Blair (24), 71 net.

B GRADE: Mrs J. Pyke (36), 68 net.

SENIOR WOMEN'S: Mrs M. Blair (24), 71 net.
